CHANGE OF ADDRESS

It is important to notify us when your **mailing** or **email** address changes. You are an important shipmate and we do not want to lose contact! Sadly, the Post Office fee is approximately \$1.00 to forward a newsletter and we'd like to eliminate that added expense if possible. Your cooperation is appreciated.

DID YOU KNOW...?

Your mailing label on this newsletter indicates the date of the last time we received your annual dues. If that date is one year or more, it is time to renew your membership and send your dues with this form. **All dues are payable as of January 1st of the calendar year.** Only those who have kept their membership active will remain on the Membership list. Your dues help to support yearly association activities, pay for the printing and mailing of our Newsletter, help do good deeds in the name of our ship, help to purchase inventory for our Store and keep you listed on our Roster when Shipmates seek their buddies. **Please stay current – mail your check today!**

Please complete the form as needed and enclose your check made payable to:

USS Ranger CVA/CV-61 Reunion Assoc.

Please send your requests and payments to:

5837 Morgan Place #87 Stockton, CA. 95219 * Email timsgla@gmail.com

If you decide to save the organization money by getting the newsletter online, you will receive an email letting you know when your dues are due
